Subject Siltronic documents recently submitted to DEQ

Kristine et al. – attached are several documents which have recently been submitted to DEQ. These documents were not submitted to EPA as we were working out some formatting and routing issues consistent with EPA's Section 508 accessible pdfs.

The documents include:

Monthly progress reports for January and February, 2009
Proposed modifications to the Revised EIB Source Control Measures Workplan
Proposed reduction in the RI quarterly monitoring scope

Please let me know if you have any questions or comments regarding these documents.
